Ethics Commission Annual Report  
For Calendar Year 2005  
Submitted January 20, 2026

The Prospect Ethics Commission is required to submit an annual report each year according to Prospect City ordinance 38.06(C).

The commission by ordinance is required to "meet only as necessary). In 2025, the Commission met only once to consider a request by Mayor Farnsley regarding the matter of retaining legal representation. This Ethic Commission Meeting was held on September 24<sup>th</sup>, 2025. This was reported to the Council at its October 2025 meeting.

One other matter of note involves a correction to the Ethics financial disclosure form. It was discovered that on Page 3 of the previous form regarding Real Property holdings the text contained a sentence which required listing the personal residence be listed. That sentence is in conflict with the Ethics ordinance and has been removed and replaced.
